Akasha's Unibrou Beer Dinner Akasha's last beer dinner with New Belgium Brewery sold out so fast that even *I* didn't get to buy a ticket. So if you're smart you'll make your reservations for their Unibroue one. Foods made with beer will be paired with beer. Grilled pizza bread with microbrew-enhanced aged goat cheese, beer-braised pepper crusted short ribs with Chambly Noire Black Ale to name a few. But that dark chocolate chip ice cream sundae paired with Trois Pistoles Strong Dark Ale makes me want to cry. Ah, ice cream, how I miss you.

7:30pm. \$55. Akasha, 9543 Culver Boulevard, Culver City ([map](#)). Reservations: (310) 845-1700.
